The Go Between

The BEST is Yet to Come

Inside this Issue:

New Advisor	2
Cookout	2
Homecoming Tea	2
Homecoming Dance	2
Halloween Informal	3
Crush Party	3
Girls Night	4
Christmas Party	4
Bid Night	4

This year has been one to remember! We have added a new advisor along with Susie Scott, Lisa Kragenbrink is joining us! We continued the tradition of having our *Lambda & A's Cookout*, and our growing stronger everyday with our brothers. The *Homecoming Tea* was a hit, along with the *Homecoming Dance*. Congratulations again Morgan Holst for winning Homecoming Queen! We have completed our *Halloween informal*, which was a blast! *Crush Party* this year took place in Red Robin, where we all stuffed our faces with burgers, and had a great time! Girls night was a huge success with a large amount of recruits that came to learn all about how us Lambda Girls have fun! It was a great ending to our recruiting events for the year. Following Girls Night, we had some great burgers at the Mining Co, for our Christmas Party. After having a great meal, we headed back to campus where we then selected our future pledge class. 2012 was a great success for the ladies of Lambda Tau Delta, we will look forward to pledging in the spring!

Lisa is an assistant professor in the Department of Nursing. Her undergraduate time was spent at the University of Iowa, where she was an active member of a sorority. She said, "I have fond memories of the time I spent with these ladies... This affiliation provides philanthropic, scholarship, and social opportunities that have led to lifelong friendships and a special bond with others who belong to this same sorority and the Greek system." She is looking forward to working with the members of Lambda Tau Delta, and grow with our organization.

Lambda & A Cookout

This year the **Lambda & A Cookout** took place on a beautiful day, in which we met with many recruits, and hung out with our awesome brothers. We grilled burgers, and hot dogs and socialized with the campus. We also brought along our brand new large wooden letters. Thanks to Whitney's dad!, who made them!

Homecoming 2012

Homecoming Tea, was a success! We had a wonderful time catching up with everyone who was able to attend. After the pep rally, singing at the bell tower was a memory not to be forgotten. Morgan Holst, a senior this year, won Homecoming Queen, keeping the Lambda tradition alive. Later in the evening we were all able to enjoy dancing at the **Homecoming Dance**, and reciting the toast together, new and old Lambdas.

Halloween Informal

Our **Halloween Informal** attracted great recruits, with incredible costumes. We played the toilet paper mummy game, bonded with many recruits, and watched Sorority Row. It was a great bonding experience, and we had an awesome time!

Crush Party

Breaking Hearts since 1919

Our **Crush Party** this year took place at Red Robin , with 14 Lambda's and our dates, we took over Red Robins for the night. Laughing and enjoying the moment, made for an unforgettable night of "had to be there moments".

Girls Night

Girls night was a huge success ! We played hours of games, painted nails, and grew closer. The girls came in not knowing everyone, and left all together! We are looking forward to this years spring pledge class!

Christmas Party & Bid Night

As we come to a close on the year of 2012 for Lambda Tau Delta, we all come together for a meal at the Dubuque Mining Co. We exchanged secret Santa gifts, and laughed for hours. We then came together to create a list of recruits to expand the quality of our prestigious sorority.
